

RGALIFE DRAWING

Springs 24

This 'All Levels' life drawing course is run by experienced practicing artist, Stuart Simler, who has designed a diverse and accessible way to develop new and existing skills when working from the figure. Observational drawings from life enhance problem solving skills and directly feed into our personal creative development. A combination of technical and experimental applications will be explored throughout this 2-day course.

Dates & Times:

20th Feb - 26th March Tuesdays 10.30 - 1pm
(no class: 5th March)

Cost: £175 - 5 weeks

How to apply:

Course returners benefit from enriching their practice and developing a unique and personal style.
