

# DRAWING MATTERS

'Drawing Matters' is run by experienced practicing artists, Stuart Simler and Tahira Mandarino, who bring with them a broad range of skills from Fine Art and Ceramic backgrounds BA & MFA (Hons). This course is designed for adults who simply want to engage in art practice with a gentle focus on wellbeing - an important part of our personal development. We encourage freedom of expression alongside the supported learning of new techniques and skills. You will also find this a great space to meet and connect with likeminded people.
