

RG A PAINTING PROJECTS

Our painting course is designed to support your own personal development, by combining practical techniques with an open and intuitive approach to learning, encouraging you to develop confidence and a creative identity within your work.

Areas of study:

Acrylic and Oil painting techniques | Framing a composition | Developing your Portfolio | Observational Drawing skills | Understanding mixed media | Colour observation & mixing.

Join us and receive individual guidance and tuition in a relaxed and friendly atmosphere. Course returners benefit from enriching their practice and developing their own unique style.
